FAITH

THE KNOWLEDGE AND UNDERSTANDING, THAT EVERYTHING IS FROM OUR CREATOR, AND
THAT EVERYTHING IS FOR THE GOOD

And the Lord said to Noah, "Come into the ark, you and
all your household, for it is you that I have seen as a
righteous man before Me in this generation.

[אֲנִי אָמַר יְהוָה לָנוֹחַ בֹּא-אִתָּה וְכָל-](#)
[בֵּיתְךָ אֶל-הַתֵּבָה כִּי-אֶתְּךָ רָאִיתִי](#)
[צַדִּיק לְפָנַי בְּדוֹר הַזֶּה:](#)

Genesis 7.1

The purpose of this article is a simple one. An Identification, and a Naming of The Forces affecting Us, Our Loved Ones, and Our Societies Near and Far.

The perspective being presented is one Stemming from Faith in a Creator, G-D

That a Component of Our Spiritual Journey, is the Transformation of Ourselves. That this Transformation occurs through facing Challenges, Trials and Tribulations; And, that the Greater and seemingly more unsurmountable these Challenges, the Greater the Transformation. That No challenge is placed Infront of us that Our Creator has not already Prepared for our Success.

There are Different Challenges for Different Times, and in these times, the Challenges, the Trials and the Tribulations, will be Many and will be Difficult.

Identification of the Differing Players, as Identified in their own words, will be a First Step. Identifying their Tactics and their Source, will become a Second Step. The Third Step will be to Acknowledge and Understand Our Own Roles within these days, so as to Maintain Our Faith, During the Tribulations.

I will preface by stating that, in Our here-to-be defined roles through our Male and Female counter-parts, that Success, will be wholly dependent upon the Virtues of Our Women. As their virtues were never in question. Their roles as Creators of Homes and Sanctuaries for their Children and Ideals, will now be required in greater earnest. The progressive onslaught of anti-Judeo-Christian Principals can only be thwarted by the solidification of our homes as sanctuaries of Faith.

A Foe Identified. Replacing Our Values Founded of Faith in Our Creator, with the glorification of Man's Intellect as a Ruling Power. Man's Intellect, and Man's Self-serving Predisposition.

Knowledge and Understanding cannot be given, only Earned; For then only, can it propel Action. What is contained here is but Water in a Well. To Drink, one must be sufficiently wanting as to pull the Water from the Well, quench their thirst, and understand the Safety that it brings. The Safety for which We must Fight.

PRE-AMBLE

When you get down to it, life is pretty simple to understand. Granted, there is an over-abundance of *grey* area for which to navigate through; But there is also an equal amount of *white* and *black* areas for which to guide us, and keep us on our paths to clarity. Days of old are reminisced as “easier times”, but as time has continued so have, we developed so that we are equally qualified today as in yesterday to discern the path that is before us. The path between that which is morally-right and that which is morally-less-right or immoral; Is, in the jungle of today’s culture, a matter of perspective and understanding.

Understanding of a current issue, is often times quite laden with experienced-based perspective. The response to any given situation therefore becomes a result of one’s perspective on the situation at hand, inter-locking situations and even broader opinions.

We all face situations requiring of response. These are seldomly confronted in isolated arrays, but mostly in repetitive sequencing that either dilute or confound our reactions. The lines between these situations becomes more-blurred, and that which is morally right, more dilute and faded.

The Basic of questions which we tend to ask ourselves in order to differentiate between that which is morally-right and that which is morally-wrong, is the premise of; Is there a G-D? This may seem like a fundamental or even an insolent question, but I believe, one of which is at the crux of the definition between that which is prevalently morally-right and morally-wrong in society; Today as in yesteryear, and even more so tomorrow.

This question when asked, should not tally an affirmative or negative response, but rather the subsequent question of “Am I living my life in accordance with this response”? Looking at society today I believe that we can discern three separate encampments, or responses to that question. Those whom are living in accordance with their response of Affirmation of G-D, or a Creator or Higher Power; Those whom responded and are living in contradiction to an Affirmation to a Higher G-dly presence; And those for whom the response is shrouded in the greyness of doubt. A phenomenon that we will call Amalek, or in more modern-day terminology, Doubt and Complacency.

Responding to this initial question in the affirmative is roughly 84% of the world population of 7.5 billion uniquely different and wondrous individuals; All in belief that there is a Divine Purpose to their existence; That Divinity is Infinite, and that Infinite means the Lack of Nothing².

Lacking nothing? Then why create this wondrous creation, where Nothing is Random³; Unless, this beautiful world is for our own benefit and pleasure²; Like a parent, we do things for our children while asking nothing in return, except that they grow to understand their surroundings sufficiently so, as to benefit and enjoy its offerings. We as parents get immense joy in seeing our children succeed and enjoy the outputs of their energies, and created in His Image have we then not ourselves become creators for the benefit and pleasure of others? We do so in Love. Love through Compassion and also Love through Strength (tough-love). Perhaps then, this surrounding of ours is for our benefit and pleasure, evermore so, the more we learn about it through G-D’s Love of Compassion and Strength⁴.

For those of us within this category, this is our Moral-Compass which defines right from wrong. Our Inherited Religious Belief. A belief that as adhered to, serves as our Central-Focal Point from which all decisions are made and understood. Our Religious Doctrines are Feminine in Nature, as they Nurture the best within us.

For the percentage of those whom have either responded to the original question with a non-affirmation of G-D or with Affirmation-with-disdain for those of a different doctrine. Their moral-compasses can be antagonistic to the Freedom of Expression and Creation which has been imparted to each and every one of us by Our Creator. Their Religious Doctrines are Masculine in Nature, in that they subjugate the-self into compliance to another. Typically, external and often times subjugative to another person’s will.

This has led us to the existing War on Culture within which we find ourselves. The Cultural War between those of us whom have moral-compass, founded in Faith, a Love-for-Others Doctrine; And between two opposing groups which are now work in collusion. These two groups are comprised of: Those whose moral-compass is found within the Anti-G-D position of swift-moving-tides of social-morass and herd-mentality; And another whose moral-compass interprets their doctrine to removal and conquer others. These two groups are one-and-the-same. They wish to replace all alternate belief systems with their own, at whatever costs. For them the Ends justify the means utilized, whereas rational minds understand that the means are integral components of the foundation of the End-Result.

That which differentiates these three groupings, is Choice. The Freedom of Choice to make selections based upon their priorities. Some choose in accordance with their Religious Belief to place their Spiritual Souls in governance of their Animalistic-Base-Soul, whilst others choose to satisfy their Basic-Animalistic Soul in defiance and/or disregard of their Spiritual Essences.

But like any parent, sometimes, subtle hints to ever-present Indicators around us, is warranted to provide us with guidance along our journeys. No parent takes comfort in the tribulations of their children. Sometimes tough-love is required, but only when subtlety is just not quite sufficiently heeded.

We live in a World of Cause-and-Effect. If we eat too much, do we not endanger our health? And, when we bestow kindness upon others, kindness is returned unto us. This Cause-and-Effect occurs along varying degrees, influencing our daily lives continuously. Impacting Ourselves, those around us and our Environments, Social, Emotional, Intellectual, Physical and other forms to help guide us to Unity Within Ourselves. The Approachment to G-D. Freedom, Liberty, and Safety.

Those with true Faith in a Creator, G-D, understand that Faith is the understanding that everything is from the Creator and that everything is for good. That our purpose here is to transform ourselves, and that this can only be achieved through the overcoming of challenges. Challenges placed before us, that He knows we can overcome. Some of those challenges help us grow, whilst others strengthen our foundations.

In this World of Cause-and-Effect, Challenge and Growth, those which test our Foundational Strength of Faith, tend to come slowly, bit-by-bit, chinking away at the armor of our Faith. Imperceptible until having created a foothold. They then require greater ardor of faith for their removal and the reparation of damages incurred. Doubt, is typically the first chink in one's armor, and it is one that is easily glossed over; And easily succumbed to once when we have forgotten the skills previously utilized to acquire our initial foundation of faith. Faith is recalling the center of our moral-compass, whenever a situation requiring a decision is placed in front of us. It is a challenge, that we can easily overcome if we only recall the principals of our Faith. Doing so, can remove any doubtful perceptions of the situations of our surroundings. It can lift the veil of the encroaching chaos, help us affirm our Faith, and assure our Freedom.

Freedom is earned. It is earned in battle against those whom would take it from us. Freedom is maintained. Maintained through the adherence to governing principals of Our Faith, which are set as unwavering foundations to the societies we have created. Freedom is tested. Tested when these principals become frayed at the edges, and succumbed to by infringements in contrast to our Faith.. Freedom is lost. Freedom is lost when the reason for these principals becomes diluted, and the call to battle-silenced. Freedom is remembered. Remembered as a dream, an ideal before the vigor of our lives became complacent with the indulgences of Freedom.

Testosterone vs Complacency

Modern Civilization such as today's Western Democratic Societies are evolutionary examples of the applicability of Judeo-Christian Principals. The creation of a society of differing demographics jointly living in respectful harmony.

John Adams in his Paris letter of May 12th (1780) to his Wife Abigail, stated⁵:

“The science of government it is my *duty to study*, more than all other sciences; the arts of legislation and administration and negotiation ought to take the place of, indeed exclude, in a manner, all other arts. I must study politics and war, that our sons may have *liberty* to study mathematics and philosophy. Our sons ought to study mathematics and philosophy, geography, natural history and naval architecture, navigation, commerce and agriculture in order to give their children a *right* to study painting, poetry, music, architecture, statuary, tapestry and porcelain.”

A true testament of Love, is to sacrifice for one's children. But at what point in this *Duty of Study* does the outcome of one's Duty, deviate from its *Purpose*? Such studies as earned through the duty of our forebearers, were borne on the foundations of a moral-compass centered in Faith. Forego this Faith as Foundation, and the Purpose and definition of *Liberty* and *Right*, become blurred.

Western Civilization is not the first of societies proclaiming duty to the betterment of their offspring and of society. In similar fashion, our society today is at the behest of the strength of our Faith just as the deviation of Faith was the downfall of prior great civilizations.

A theory entitled “The Testosterone Hypothesis, how hormones regulate the life cycles of civilization's”⁶, brings about an interesting point. Early societies whether they be Roman, Ottoman, Colonial or American were forged through great expenditure of Testosterone (in males and estrogen in the female populace). Men were men. Fighting, building, creating and defending their Women. For, for whom else would they exert such energy and testosterone, but for their women and children. These familial, communal and societal boundaries honed from testosterone, were for the loftiest of ideals; The creation of “On Earth as it is in Heaven”. The sanctity of hearth and home for women and children, created by and defended through the great expenditure of testosterone for Freedom and Liberty.

These earlier civilizations subsequently dwindled. As posited, these newly earned freedoms created liberty. The liberty of freedom of expression, at first guarded within the foundational basis from which they were forged,

eventually and ever-slightly tested, frayed and entrenched upon. These new forces were expending their testosterone to forge their own freedoms. Freedoms which tested the resolve of the new guard of warriors; of those whom had not fought for the original Freedom. The original freedom as earned and defined through their moral-compass-of-faith, was now being tested by elements of counter-faith.

Babylonia, Greece and Rome having earned their new found societies, began to enjoy the freedoms earned. There became less of a need for testosterone-based behavior. Freedom provided the liberty to express oneself less aggressively and to thereby partake of the more refined aspects of society. At this point, individuals were able to let down their guard and the inner-resolve of their moral-compass, and explore their liberties. Through exploration, and throughout segments of society, deviations to the founding moral-compass were introduced and commenced to become entrenched. Fraying at first the complacent areas of society before integrating further in-grounds into the woven fabric of a new-moral-compass, less principled then the preceding.

The Babylonians, Greeks and Romans, after fighting, building, creating and defending allowed complacency, lewdness, amorality and emasculation to enter their society, culture and personality traits of their citizenry. Somewhere along this downward trajectory the Huns, Mongols and Ottomans with their heightened levels of testosterone conquered these empires. Through war or exponential population growth, societies which have been weakened have always been conquered.

Today, War is less of a physical nature to control territories and more of a personal nature to control individuals. The Freedom to express oneself in speech, thought, education, dress and opinion is currently under attack, by a force very subtle. Subtlety for some can be a total affront to others, it is dependent upon one's level of perception. Derived by the distance one finds oneself from the center of their own moral-compass; Perception will be the incubus for the production of testosterone, and the ability to defend and hopefully reclaim their Freedom Lost.

The perception of losing or having lost one's freedom, is necessitated by understanding the bearing of one's moral-compass. Faith, its connotations and objective are the tenets of our moral-compass. How we perceive the environment around us is either Faith-Based or Frayed depending upon our conscious connection to our Faith, at the time of any interactive event.

To get a better understanding of our current societal environment, of, that which is currently occurring around us today; We can go to certain frameworks within our Faith for indices to the causes, effects, and counter-effects available to us.

Great societies were forged through the understanding of their foundational principals. They were lost to history when those foundational principals were removed. Herein we will explore a number of preliminary indices which lend credence to the purpose for the confusion currently being experienced. The premise will then be noted, along with identification and definition of the key players in this "War on Culture". The outcoming conclusion of this cultural confrontation is set in Faith. The Choice in methodology utilized to bring about this outcome, is in our hands. Freedom of Choice. To what degree will one go, to what degree will we go, to bring Love to those around us, on Earth as it is in Heaven.

THREE INDICES OF CURES FOLLOWED BY A FOURTH

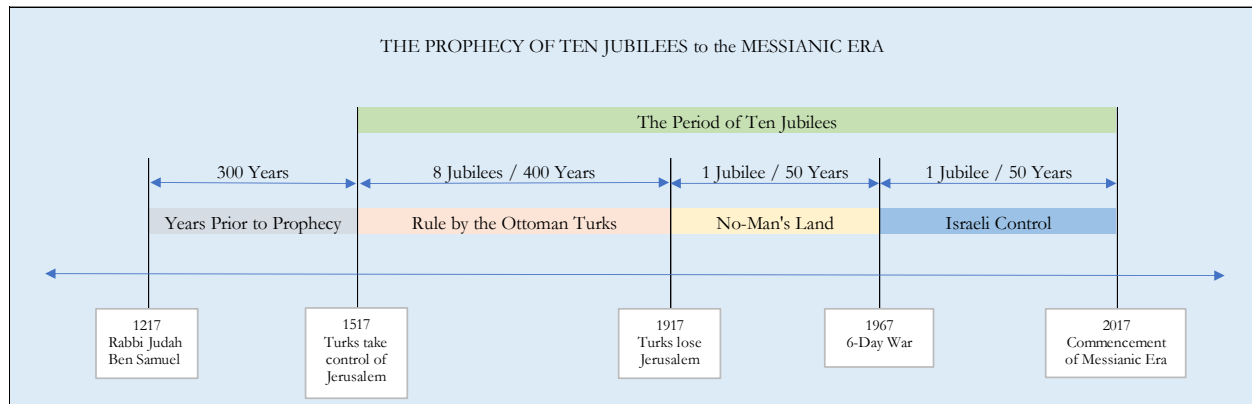

The present is influenced by the past unlearned, so presented are Three Indices from the past, viewed through a modern-day lens. The first of these indices is for color. There is a historical framework and the use of a standardized system of time-measurement, which lends it some authenticity and curiosity. The second indice had gained some popularity in the last few years, then subsequently fizzled-away with the lack of an expected climactic-event. We revisit this indice of events for reassessment through a faith-based Lens, and find the subtle, yet very powerful climactic-event. The third indice is ancient of nearly 34 Centuries. Assessed via a mathematical filter to our faith-based lens, with a construction based upon Order, a communique unfolds before us. A beacon of light in the darkest realms of Chaos.

The Prophecy of Ten Jubilees from 1217 CE_ a First Indice⁷

The years between 1096 – 1270 were the time of the Roman Christian Crusades into the Holy Land. During that time, correspondences were carried back and forth from Jerusalem, The Holy Land and Europe. It was largely through these letters that Europeans came to know about Saladin the Great and Saladin's Sunni Ayyubid Dynasty in Egypt and the affairs of the Holy Land.

Before his death in the year of 1217 CE, Rabbi Judah ben Samuel (1140-1217, Regensburg, Germany), made a prophetic prediction through the use of biblical calculations and astrological observations which pertained to the City of Jerusalem and the Messianic Era. He subsequently published these results, and the summation is as follows:

“When the Ottomans (Turks) conquer Jerusalem, they will rule over Jerusalem for eight jubilees. Afterwards Jerusalem will become a no-man’s land for one jubilee, and then in the tenth jubilee it will once again come back into the possession of the Jewish nation, which will signify the beginning of the Messianic end time.”

Unknown to Rabbi Judah ben Samuel, the first known reference of the term “Ottomans” was in 1215 CE, just two years before he died. The Ottomans were a Turkish speaking tribe first ruled by Ertugrul in the land of Anatolia. His rule continued to ascend in power as the adjacent Seljuk Turkish Empire was decaying. Ertugrul’s son, Osman, succeeded his father and became the name-sake of “father of the Ottoman Turks” per the European derivation of his name from Osman to Ottoman.

According to Leviticus 25.13, one Jubilee period is 50 years (after seven times seven years), in which within the 50th year and amongst other Freedom’s, each person will regain ownership of his or her property.

The Pre-Prophecy Period

During the Roman Christian Crusades, the Mamluk began their reign in Jerusalem in the year of 1250 CE when the last Ayyubid Sultan of Egypt, Turanshah was assassinated by his Mamluk slave General Aibek. Aibek then founded the Mamluk Bahri Dynasty and held power over Jerusalem until they were conquered by the Ottoman Turks in the year 1517, roughly three hundred years after the death of Rabbi Judah ben Samuel.

The 400 Years of 8 Jubilees

History shows that the Ottoman Turks gained control of Jerusalem in the year 1517 and held power over Jerusalem for 400 years (eight 50-year jubilees), when they were conquered in 1917 by the British military forces under the command of British Military General Edmund Allenby on Hanukkah, December 17, 1917. The Ottoman Turks began to falter in 1918 after the defeat of the army at Jerusalem; The city of Damascus fell on October 1; Homs on October 16; Aleppo on October 25 and Turkey finally capitulated on October 30, 1918. After this date the League of Nations conferred the territories of Turkey, Syria, and Egypt to the British Mandate which also included the Land of Israel (then called Palestine) to the British. This invariably included Jerusalem.

No-Man’s Land

In 1917, the League of Nations placed Jerusalem and The Holy Land under British Mandate (International Law). After Israel’s Declaration of Independence on May 15, 1948, and the subsequent War of Independence the city of Jerusalem still remained a “divided city”. A strip of land called “The No-Man’s Land” by both Israelis and Jordanians divided the State of Israel and its capital Jerusalem. Western Jerusalem was controlled by Israel and East Jerusalem which included the Temple Mount and the Old City of Jerusalem was controlled by the Jordanian government. Jerusalem was a no-man’s land for these next 50 years, One Jubilee, until the Six Day War of June 17, 1967.

The 10th and Final Jubilee

June 17, 1967. The Six-Day War and the Israeli Military reunites the remaining sections of the West Bank Territories of Israel, and The City of Jerusalem. A united Nation of Israel with Jerusalem as its Capital. 750 years after Rabbi Judah ben Samuels' Prophecy of the Ten Jubilees, Jerusalem is United and in possession of the Nation of Israel.

As this 10th Jubilee^{8,9} concludes in 2016, the 11th Jubilee commences in 2017 and is marked by the 4th and last of the Blood Moons.

The Blood Moon Sequence: Lunar Eclipse Timing – Four and a Fifth, a second Indice¹⁰

According to NASA Data^{11,12} and actual recent confirmation, the period from 1873 through to the future date of 2054, there have been and only will be a total of four lunar eclipses which meet our criteria. The criteria are periods of four *successive* lunar eclipses at six-month intervals falling on the Holidays of Pesach/Passover, Sukkot/Pentecost, Pesach and then again Sukkot. Due to celestial mechanics there are quite a few lunar eclipses on Biblical Festivals, but none which are sequences of four (4). The date periods within which these successive lunar eclipses occurred are: 1881; 1949; 1967 and 2015. These dates are the commencements of the Blood Moon Lunar Eclipses.

Why Four Eclipses. The number Four (4) in Hebrew is the letter “Dalet: ד” which has the meaning of “Door”. Therefore, combinations of four are gateways (doors) from one level of perception to a subsequent higher-level of perception.

What is Five in regards to the fifth event, the Solar Eclipse. With our four lunar eclipses we will see one solar eclipse between these four. Like the four fingers of the hand, the thumb (our fifth finger) is like the other four, yet is materially & mechanically different by having only one joint rather than two, and being opposable instead of inline. This teaches us that the solar eclipse is related to the lunar eclipses, yet it is materially different. It is not an indication of a bad omen to Israel, but it is an indication of a bad omen to all others.

Lunar Eclipse Timing – The Past, The Present and The Future

So, what are the Blood Moons teaching us. The Moon is Lit because it reflects the radiance of the Sun, to the Earth. Abraham, upon having chosen G-D at the event of The Binding of Isaac, was in return “chosen” by G-D to be His Emissary to the World. So to were Abrahams children chosen, as a merit to Abraham.

In Scripture, Abraham queries as to “How will he, Abraham, know that his children and future generations will be chosen and inherit his possessions”. The response is quite telling, for He replies with “For 400 years your offspring will be slaves and will endure many difficulties and tribulations”. The following years through the Exodus, with the set milestone of Passover and the Mt Sinai revelation during Sukkot (our lunar eclipses), are indices of reflection.

The Exodus from Egypt was an element of Choice, with only a fraction (20%) actually departing Egypt for Freedom. Freedom of Choice is integral to our humanity, our individuality, and as the foundation of our relationship with G-D.

Throughout history, humanity has been presented with indices as to their progress towards strengthening this relationship. Here so to, in the form of lunar eclipses. The Jewish Nation has always been categorized as the moon to G-D's Sun. When this moon is eclipsed, it is indicative that they have “Eclipsed” the Truth of G-D and have brought about Darkness, the dilution of G-dliness, Chaos and Anti-Semitism to the world.

When considered through this lens of our moral-compass, the events herein become very apparent. A progression away from the center of our moral-compass and straight to the chaos currently engulfing us.

Blood Moon Period of 1881-1883

The birth of the Jewish Reform Movement was laid out at a conference in 1881¹³, and based itself upon a platform of principals which denied the validity of the Jewish Oral Law. The Written Law (The Five Books of Moses) is essentially an educational briefing to be augmented by the Oral Law, as passed on verbally from generation to generation. The Oral Law allowed and facilitated the adherence to The Written Law. Removing this crucial understanding of the Bible, removed the essence, importance and sacredness of Judaism and allowed for the dilution of Judaic Principals. The progression away from the central-core of their moral-compass, was the initial “official” fraying of their fabric of society and morality.

Blood Moon Period of 1948-1949

13-04-49 (**Pesach 14-04-49**), 07-10-49 (**Sukkot 08-10-49**), 02-04-50 (**Pesach**), 26-09-50 (**Sukkot**)

Israel becomes a nation¹⁴. However, its founding leaders, though Zionist to create and live in a returned to Jewish Homeland; Were non-observant and created a secular nation. The Light that they were to radiate to the world as an Observant Religious Nation, was eclipsed.

Blood Moon Period of 1967-1968

24-04-67 (**Pesach 25-04-67**), 18-10-67 (**Sukkot 19-10-67**), 13-04-68 (**Pesach**), 06-10-68 (**Sukkot 07-10-68**)

The Six-Day War of 1967, consolidated the Land of Israel and unified Jerusalem, but without control of the Temple Mount. The most sacred area in Judaism was earned through hard work and war, only to be voluntarily given back to a populace who would continue to desecrate it for many years. An opportunity eclipsed, which could have filled the vacuum of millennia.

Blood Moon Period of 2014-2015

15-04-14 (**Pesach**), 08-10-14 (**Sukkot 09-10-14**), 04-04-15 (**Pesach**), 28-09-15 (**Sukkot**)

Reform and Left-Wing Liberal Jews, predominately within the United States and Israel, align themselves in contradiction to Religious Beliefs. They align themselves along policies as presented by external groups, instead of from their faith-based-moral-compass. The advocate for those whom fight for the isolation and annihilation of Israel and its multi-religious population^{15, 16}. They are members of political parties that have removed the mention of G-D from their political platform; Advocate for the abortion of babies even after birth¹⁷; Activist LGBTQ groups; And the destruction of current societies through socialist transformation^{18, 19} and the manipulation of its legal system^{20, 21, 22}.

These “in name only” Jews^{98,111} have sufficiently distanced themselves from their faith-based-core^{121,205}, that they are now actualizing this distance in their daily interactions¹²³. They have become the 80% during the Plagues of the Exodus. The Ten Plagues, which are discussed in the subsequent volume, are Events for the purpose of illuminating our surroundings so that one may perceive the differentiation between each of the possible moral-compasses, and Freely Choose wisely.

Joseph’s Pyramid - The Light in the Darkness_ a Third Indice

In the Darkest Corner of the World, wherein was the pinnacle of slavery of body, mind and spirit,
therein is the Shines the greatest of Light to Freedom.

”Thou shalt be over my house, and according unto thy word shall all my people be ruled: only in the throne will I be greater than thou. And he made him to ride in the second chariot which he had; and they cried before him, Bow the knee: and he made him ruler over all the land of Egypt. And Pharaoh said unto Joseph, I am Pharaoh, and without thee shall no man lift up his hand or foot in all the land of Egypt.” Genesis 41: 40-44

... And pharaoh gave upon Joseph the name “Zaphenath-paneah”, “the G-D speaks-the G-D lives” ... and “Imhotep” translates as “the Voice of ...” and “Imhotep, Chancellor of the King of Lower Egypt, Chief under the King, Administrator of the Great Palace, Hereditary Lord, High Priest of Heliopolis, Imhotep the Builder, the Sculptor, the Maker of Stone Vases...”

The darkest experiences in Biblical history are the 400 Years of exile that Abrahams children were subjected to, with 270 of those years under the constraining bondage of Egypt. The bondage of Slavery both physical and personal.

“And G-D said, let it be known that your children will be slaves for 400 years and they will suffer
but then I will bring them out, and they will redeem their merit”

We touched upon the “merit” as being the attainment of the connection with G-D, as exemplified through Abraham. We are all “Abrahams” raising our children to the strongest manners available to us, so that they may, through the extensions of their own freedoms of choice, live long prosperous and fruitful lives. This period of 400 years is, 10 cycles of 40 years, comprised of 190 years of individual strength development through Isaac, Jacob and Joseph. These were followed by 210 years of “difficulties and tribulations”, until they descend into near complete impurity.

Once at this level, they could commence the Journey back to the “redemption of their merit”. Scripture is not intended as a historical account of an earlier civilization. Scripture is a “Road-Map” to redeeming our merits, as exemplified by

our Father Abraham. As he was Chosen, by default we have become the Chosen, and as this journey begins it must have a starting point.

The starting point of any journey through darkness, is through a glimpse of Light. A glimpse of something differentiating itself from the normalized environment of darkness in which we find ourselves. This elicits a spark from which a journey can be born. The Journey commences with the Ten Plagues, which are ten events to help us Emotionally and Intellectually remove the shackles of personal slavery. Once this is grasped, we can Exodus from the darkness through the rectification of our Seven Emotional Attributes through a 49-Day Period of emotional cleansing. This prepares us for the 50th Day where-upon we can receive the Ten Commandments (Connections), which keep us from regressing back to the darkness.

But we are still in need of this glimpse of something Free from Darkness, we are in need of a Beacon of Light. The Great Pyramid of Giza, Joseph's Pyramid^{24, 25}, the Pyramid of Adam.

The historian Josephus made the observation²⁶ that the Pyramid of Giza was "built by descendants of Seth", who is one of the sons of Noah; And the Egyptian "Book of the Dead" posits that the "great pyramid is a message written in stone". It remarks that first descending passageway, leads to a dead-end pit called The Descent of Man". That the first upward passageway is called "The Hall of Truth in Darkness", and that a subsequent upward passage way which is called "The Hall of Truth in Light" opens to a Grand Gallery.

What we now know is that this passage²⁷ is entered at from a secret entrance 55' (2 * 27.5', which is twice the measurement of the Holy Cubit) from the base. Above the lintel of this entrance is the four letter name of G-D, known as the "Tetragrammation". That the first passageway measures 42" in width before descending at 26.18° (ϕ^2). Wherein 42 is one of the numerical valuations of G-D's Name²⁸. The ascending the passageway of "The Hall of Truth in Light" is at a slope of 26° (another value for the name of G-D, and for those inclined to mathematics, 26 ϕ is 42).

The Grand Gallery, or as we now know as the "Tower of Truth", is of a height of 20 stacked cubits, and has a volume of 44100cu³. 441 is the numeric value of the word "Truth" (Emet in Hebrew), and 44100 is 441 * 100. 100 is the numerical valuation for the word "Crown" (Keter in Hebrew). To surmise, the internal chamber of the Great Pyramid of Giza, of Joseph's Pyramid, is known as "The Crown of Truth".^{101, 103}

Each base side of the Pyramid is of a slightly differencing length. One is 755.51" in length which is exactly 20 times the length of the measurement of the Holy Cubit of 27.5". Each stone of the Pyramid measures this exact 27.5" in height. Another base length is of 756.25'. 756, in Hebrew is the evaluation for the spelled-out letter "N" (Nun), and is also the numeric valuation for the words "The Years of". Though the spelled-out valuation of the letter "N" is 756, its ordinal value is 50 and is relating to the 50-year jubilee period.

The height being at 481.25' has the numeric value for the word "Year". 481.25 feet, at 12 inches per foot is 5775 inches (not including the 0.25 or 3"), which when divided by the height of each stone (at 27.5") produces 210 cubits. 210 is the number of years that the Children of Israel were in captivity.

We can continue by recalling that the 210 cubits or 5775 inches, when included by the 0.25 feet (or 3 inches) we get 5778 inches. 5778 is also the Hebrew Calendar date which equates to 2017/2018. 5778 is also the temperature of the Sun in Kelvin, and the average world temperature at 57.78 degrees.

The capstone of the pyramid, which some say is missing is of a total height of 3 cubits. More so, the dimensions of its plateau measure exactly 32' by 32'. The exact dimensions of the center of the Holy Temple. 32 is also the numeric value for the word "Heart" and is reflective of the 32 Paths of Wisdom within the Tree-of-Life, which helps us attain Freedom.

Now Abraham was born in 1948 of the Hebrew Calendar, and received his Covenant with G-D seventy years later, in the year 2018. The State of Israel was born in 1948CE.

The Mount Sinai Revelation and Receiving of the Ten Commandments occurred in the Hebrew year of 2448. When we consider the Pyramid height of 5778 inches in terms of years; Then 2448 becomes slightly more significant. There are 2448 years between Adam and Eve and the Revelation at Mount Sinai. Subtracting this number from 5778, we obtain 3330 years from the Mount Sinai Revelation to a greater event in the year 2017/2018. When we recall that one of the bases had a length of 756, which equated to numerical valuations for "Years of" and "50", we can divide the latter 3330 years by a jubilee 50-year period to arrive at the number of Jubilee Years from the Mount Sinai Revelation to "another event". Doing so produces 66.6 Jubilee's.

The information just mentioned above regarding Joseph's Pyramid is derived from great individuals at "Kabbalahsecrets.com". I thank them for their work, insight and piety. Please see their work first-hand.

Cure Before the Disease

These Indices, the creative genius of Joseph's Pyramid, Scriptural discourse as to the ominousness of Blood Moons, and even the prophetic insights such as that of the Ten Jubilee's are matters outside of our normal sphere of influence. They can impact, but they are intangible in comparison to the activities and events of everyday life. But as an Indice they can offer a little more clarity and order to a confusing and somewhat chaotic society.

However, when we return to our differing moral-compasses, we find that the faith-based group lives within its own circle. Its matters stay within family, close friends and enclosed social gatherings. Their opinions and matters are their own and they are private. The group following a moral-compass that is not faith-based and which subscribes more readily to social stimuli is more extrovert of its matters and opinions. The become participatory in public discourse, gatherings and demonstrations, and make their feelings and opinions known to the public.

Times of difficulty and tribulation, are when people are most tested, of their resolve and abilities. The distinction between these types of moral-compass become quite distinct and quite controversial, and delineates the ongoing stress-points of today's society. Those of Faith adhere to the constructs of society and religion. Those of public sway, are lacking adherence to their social and religious constructs; And thereby are more prone to create the constructs which suit their given needs. These needs and the means of utilizing them, become suited for the attainment of specifically identified difficulties and tribulations, and are interchangeable. Therefore, each difficulty produces new sets of constructs, and new sets of impediments to overcome. Reduction of these impediments into manageable groupings or identifiers creates targets to which their energies can be focused.

It's interesting to note, but this type of behavior, that of aggressively trying to influence another towards their own opinion and perspective; Is very akin to the psychiatric disorder of Narcissism.

According to Psychology Today²⁹ "The hallmarks of narcissistic personality disorder (NPD) are grandiosity, a lack of empathy for other people, and a need for admiration. People with this condition are frequently described as arrogant, self-centered, manipulative, and demanding. They may also have grandiose fantasies and may be convinced that they deserve special treatment. These characteristics typically begin in early adulthood and must be consistently evident in multiple contexts, such as at work and in relationships. People with NPD often try to associate with other people they believe are unique or gifted in some way, which can enhance their own self-esteem. They tend to seek excessive admiration and attention and have difficulty tolerating criticism or defeat."³⁰

During the Egyptian Exile, pre-Exodus, Egypt or was ruled by the primary deity "RA". As nothing is coincidental, "RA", or "Bad" in the language during Biblical times had the deeper meaning of "Rayon Atzmi" or "For My Own Self".

Those of us that are of Faith are not "For Themselves" but for others, we tend to stand sufficiently aback where observation of this behavior can be contemplated and recognized, as the distancing from Faith. This ever-fluctuating distance is the battle field, and has always been the battlefield between those who define themselves from Inwardly-defined-Strength and those whom are defined-from-external-influences.

For Narcissist, external influences must be nurtured for their own self-worth to be sustained. The technique coined for this is "Gas Lighting"^{31,32,33} and takes on many forms of "subjugating through intellectual and emotional manipulation"¹⁷⁹. Some of these techniques are: The Normalization of Falsehoods¹⁵³ to Induce an "Insecurity Complex"; Debilitating the Victim(s) to Suppress Dissent¹⁴⁹; Showing Aggressivity and Hostility when being confronted; Isolating Groups to simplify Divisionism and Conquering; Perpetuating Fake¹⁶³ "Savior and Superiority" Myths³⁴. These are some of the tools being utilized to increase their Social Domination and Psychological Control over ever-increasing groups, communities and societies.

The English word Armageddon is derived from the Hebrew words of "Gog and MaGog", with Gog denoting "Those who rebel against G-D". Those whose Moral-Compass-not-based-in-Faith but more so in their own perspectives of Right, the Narcissist. MaGog as those who follow the biddings or manipulations of GOG and have fallen to their beguilement via Gas-Lighting. Gaslighting enables the perpetrating group(s) or Individual(s) to obtain control through the constant bombardment of distorted facts and imagery as to create an environment of confusion, and subjugation.

During the Cold-War era, World Societies³⁵ were categorized as either First World, Second World or Third World based upon their alignment with First World denoting the Western Capitalist Axis; Second World denoting the Eastern Communist Axis; And Third World denoting those Countries not actively aligned with either side. But herein, a societal differentiation also existed, and one determined through the level of respect and equality a society bestowed upon its Women. First World Nations provided equality to its Women, whereas Third World Nations did not and continue to, treat their Women with inequality and denigration of person^{36,37,38}. A differentiating factor between Faith-Based Morality and Societal-Morality, and identification of the areas-of-contention which threaten the safety of our Women and Children today, and tomorrow.

The areas-of-contention against are Women, Children and Society, are clearly identifiable. The Transgender assault on our young girls in the locker-rooms^{39, 40, 41} and sports^{42,43,44}; Early-Age Sex-Education^{45,46}; Transvestite readings to children at our public libraries^{47,48,154}; The teaching of sexual-promiscuity and acceptance of Abortion¹⁰⁴ in our schools⁴⁹; The ability to freely practice one's Religion in Business^{52,53,53,54} or publicly^{55,56}; Attempted infringements on our Constitution regarding Free Speech and the Right to Bear Arms⁵⁷; The advocacy and legalization of Infanticide, are but simple examples of debilitation to our society and psyche. The identification, division and destruction of our society, of the Judeo-Christian principals¹¹⁷ of our society are being infiltrated to implement subjugation to their narcissistic ideals¹⁹² for global governance and the demise of National Identity. Various Gas-Lightening tools are being utilized to progress this ideal such as various Green New Deals¹¹⁵ and the introduction of non-national-non-assimilating populaces of Third World subjugating origins to Free-Thinking First World societies. The first of these victims is always our Women. The pinnacles of our Faith. It is therefore, our which Faith identifies each of the players in this War on Culture.

THE WAR ON CULTURE_ WHO ARE THE PLAYERS

ABBAS FOLLOWS SCRIPTURE

August 10th of 2019, Palestinian Authority President Mahmoud Abbas stated the following:

“the entire Palestinian nation will enter Jerusalem as millions of fighters, along with the Arab, Islamic, and Christian nations”^{72,164}

An incoherent statement unless placed within its proper context.

LINKING JACOB, ISHMAEL, ESAU, and who is BASEMATH-MAHALTH

Abbas, is quoting Scripture; From Genesis 28: 9 which states that “Esau went to Ishmael and married Mahalath daughter of Abraham’s son Ishmael”. Further Scripture details that the purpose hereto was for Esau, the son of Isaac, to trick Ishmael, son of Abraham into killing Isaac, whilst he, Esau would slay his brother Jacob. Though the presented intention was for them both to rule the lands of the World; Esau’s true intention was to subsequently slay Ishmael and thereby be the sole ruler of the World. Ishmael, understood that Esau would turn and so rejected the offer. The wedding did not take place during this meeting, but only 23 years later after the passing of Ishmael.

In his statement, Abbas is identifying the parties in this wedding.

- a. The Palestinian Nation, which is Islamic Jihadist in nature.
- b. The Arab Nations are identified separately from the Islamic Nation, because they are separate. The Arab nations are Ishmael “not” wanting to join in this plot and thereby prohibits the wedding from taking place.
- c. The Islamic Nation is the wedding party after the wedding, because they believe that they will turn the table on Esau, slay him and they will then be the sole rulers of the World. A Global Islamic Caliphate to make Islam Supreme.
- d. The Christian Nation, is the “Not-Jewish Nation and therefore Abbas is claiming them to be Esau. What Abbas is over-looking is that Esau gave up his birthright and choose a life of secularism in its stead. Esau is the Secular Movements of Global Order.
- e. The Christian Nation is a daughter nation to Jacob.

JACOB and the CHILDREN OF ISRAEL

Genesis 32.25-29

25. And Jacob was left alone, and a man wrestled with him until the break of dawn.

כח ויִתְּרַן יַעֲקֹב לְבָדּוֹ וַיִּאָּבֶק אִישׁ עִמּוֹ עַד עֲלֹת הַשָּׁחַר:

26. When he saw that he could not prevail against him, he touched the socket of his hip, and the socket of Jacob's hip became dislocated as he wrestled with him.

כז וַיֵּרָא כִּי לֹא יָכֹל לוֹ וַיַּגַּע בְּכַף־יָרְכוֹ וַתִּקַּע כַּף־יָרֶךְ יַעֲקֹב בְּהִצָּבְקוֹ עִמּוֹ:

27. And he (the angel) said, "Let me go, for dawn is breaking," but he (Jacob) said, "I will not let you go unless you have blessed me."

כח וַיֹּאמֶר שְׁלַחֲנִי כִּי עֹלָה הַשָּׁחַר וַיֹּאמֶר לֹא אֶשְׁלַחְךָ כִּי אִם־בֵּרַכְתָּנִי:

28. So he said to him, "What is your name?" and he said, "Jacob."

כח וַיֹּאמֶר אֵלָיו מַה־שִּׁמְךָ וַיֹּאמֶר יַעֲקֹב:

29. And he said, "Your name shall no longer be called Jacob, but Israel, because you have commanding power with [an angel of] God and with men, and you have prevailed."

כט וַיֹּאמֶר לֹא יַעֲקֹב יִקְרָא עוֹד שִׁמְךָ כִּי אִם־יִשְׂרָאֵל כִּי־שָׁרִיתָ עִם־אֱלֹהִים וְעִם־אֲנָשִׁים וַתִּגְבַּל:

The quintessential battle within each of us is between our Animalistic drive and our Spiritual drive. Being Spiritual Souls within Animalistic bodies, the battle becomes whom will rule over the other. Those of us with a faith-based moral-compass battle for our spiritual selves, those of non-faith, their animalistic selves.

This wrestling between Jacob and the Angel, is just such a battle with the Angel being that of Esau. This is Israel, and we who have Faith as the corner-stone to our moral-compasses are The Children of Israel.

Jacob (יַעֲקֹב) has its meaning in the word "akov" (עָקַב) as in "imperfect". As in the Jacob's state-of-being, prior to wrestling with the Angel of his brother, his counter-part. Our daily struggle is battling our animalistic side, our internal Esau. Over-coming those impulses we become Israel where we find that Israel in Hebrew יִשְׂרָאֵל can be read as יֵשֶׁר-אֵל with (יָשָׁר) Yashar meaning "Straight, Honest, Righteous and G-D Fearing"; and El (אֵל) means G-D⁵⁸.

When we combine these definitions with the root meaning of "Israel", which is the word sharit (שָׁרִית) meaning "to struggle, to exercise influence, to prevail", and we can then define "The Children of Israel" as "All those Whom Struggle and Prevail over their Imperfections to Walk Righteously in The Ways of The Creator". Hence, the All People and Peoples whom have G-Dliness as their Moral-Compass are The Children of Israel¹⁵⁰. Abbas has made the misinterpretation of Esau being the Christian Nation, when in fact they are a component of Jacob.

Further evidence of this distinction is clearly evident in American Society²⁶⁵ today, and even more so abroad in the European and African Countries. Though the Jewish, Children of Israel are again under continuous attack, the newest victims of today's "War on Culture" are the Christian Children of Israel. This is nearly continuous in Africa^{33, 34, 35, 36}, where whole families and villages are being destroyed. In Europe, Churches and Events^{37, 38, 39, 40} are rampantly being vandalized and desecrated; And the Christian Children of Israel in the United States are under attack to remove their overt presence from society^{41, 42, 43, 44}. This War on Culture, this Wedding borne of deceit and malevolence between Esau and the Islamic Children of Ishmael, is being waged not strictly against the Jews with the increasing levels of Anti-Semitism: but more so against Christians around the World.

MAHALATH - BASEMATH

In the end, the wedding did occur, and the Nations of Esau and Ishmael were joined. Gematria is the Biblical Analysis of words through their numeric valuation, such as "A" is the number 1, "b" is 2 and so on. In so doing, the valuation of "Gog and Magog" (a.k.a. Armageddon) derive two sets of numbers differentiated by the numeric valuation of the letter "V" ("And" in English). The two derived numbers are 478 and 451. 451 has the equivalent numeric/gematric valuation of Yishmael (Ishmael), and 478 the valuation of Mahalath, the daughter of Ishmael whom Esau marries. Mahalath who is also known as Basemath⁵ is the link connecting Esau and Ishmael. The link between Secularism and Islamic Jihadism¹⁷¹. The numeric valuation of Basemath is 742 the same as for Barak Hussein Obama.

Obama mother was a devout Communist who married a Muslim from Kenya who followed Islamic Jihadist doctrine and had “The Dream” (yes, the same dream as within Obama’s book “The Dreams of my Father”) to destroy Judeo-Christian Colonialism. Obama’s formative education was conducted within Islamic Madrassas where he learned Islamic fundamentalism.

Mahalath/Basemath/Obama is the link unifying the World Secularist Powers with the Armies of Islamic Jihadism^{159,160,177}. Obama’s Presidential legacy was to undermine the US Constitution and remove Christianity from public society. The Common Core^{190,191} educational program to de-educate American Children^{59,60,61,62}; The Fast-and-Furious attempt to shut down legitimate Gun Sellers and the 2nd Amendment^{63,64,65}; Obamacare which increased premiums and mandated the progressive agenda such as Contraceptive and Abortions^{66,67,68}; The division of peoples into races and segregated groups⁷⁴ to increase to a boiling point Race Relations^{69,70}; And the Funding of the Terror Nation of Iran by sending them \$400 Million in cash⁷¹; Gutting the US Military and showing weakness on the World Arena^{73,74}; Implementation of the Deep State through two simple examples of sending Janet Napolitano to run the California School System and placing Robert Gates, the architect for dismantling the US Military to do the same with one of the largest Christian Organizations, The Boy Scouts of America, who has as of just recently declared Bankruptcy^{75,76,137}.

On the World stage, Obama facilitated the United Nations High Commission for Refugees (UNHCR) “Transformative Agenda”⁶ to flood the Western/Colonial World with unvetted Muslim migrants. This flood also openly discriminated against Middle Eastern and African Christians, by either: Refusing them immigration from harmful nations; Removing those who gained entry and returning them to their native countries, in many cases to persecution; And, turning a blind-eye to their persecutions within UN run Refugee Camps.

ISHMAEL

Abbas is quoting Scripture. He has misunderstood the definition of the people of Esau, and he has interjected a differentiation between the Arab and Islamic Nations; All because he himself is starting to understand the difference between these two groups. Ishmael is the Father of the Arab Nations, and he distanced himself^{124,125} from the bond of violence being advocated by Esau. In the Arab Lands of the not so distant past, Muslim, Jew and Christian lived side-by-side. Differences were understood and they were respected.

In recent years, a shift has been occurring within the Arab Nations¹⁶⁵. Though neither wants to lose their national identity, one is willing to work with and co-exist with the West, while the other wants it destroyed. Ishmael who co-existed and refused to partake of its destruction, and those who bonded at the wedding and do seek the destruction of Jacob and the West. This differentiation is now becoming more pronounced.

The Arab Nation is returning to its preposition of peaceful cohabitation with its Jewish and Christian cousins. We see these bonds tightening just most recently with Saudi Arabia^{62,216} and Egypt^{77,78,79} building economic ties with Israel¹⁴⁴. A slow and precarious journey, but a returning journey none-of-the-less.

The Islamic Jihadist Nation is counter to anything Non-Sharia-Compliant, and as such has become increasingly violent to all parties¹⁵², Muslim, Christian, Jewish and Secularist. The Islamic Nation identified by Abbas, has at its core the beliefs of the 12th Imam. This 12th Imam is the Islamist version of the Messiah whom will bring Sharia-Compliant World domination through Violence. We are seeing this occur via the mass Immigration of Muslims throughout the World, but most predominately throughout the Western Nations. In this, they bring non-assimilation and religious disdain to their host societies. This is the grouping comprised of Abbas, Hamas, the Ayatollahs of Iran¹⁶⁹, Boko Haram, CAIR, The Muslim Students Association, the BDS Movement and a myriad of other Islamic Jihadists groups, including Turkey. Turkey²⁰⁶ is mentioned in particular due to Erdogan’s conception of himself^{80,81,82} as the 12th Imam, the bringer of violence across all Non-Islamic Peoples.

These Islamic Jihadist¹⁶⁷ are the Sons of Ishmael who will join forces with Esau. Bonded together through the Wedding with Obama-Mahalath-Basemath, they will combine their forces and attack their Brothers. This is occurring today^{155,156}. The Western Secularist have facilitated the entry into their homelands of the unvetted Islamic Sons of Ishmael. These Globalist have unleashed the Islamic forces required to dismantle Western Judeo-Christian (Children of Israel) Society. Esau weaves a web of “Confusion of Principal”. Stating positions of “Islamophobia” to downplay the violence being wrought on our Women, Children and Society. The “Gas-Lightening Effect”.

ESAU IS ROME ... ESAU IS THE CLUB OF ROME

Hegelian Dialectics as Strategy⁸³.

Step-1: Identify an end-goal objective; Fabricate a problem with a proscribed solution which will lead to the desired objective.

Step-2: Create Tension in Society by Diversifying the population base into extreme groups. Identify another group as the main-catalyst and scapegoat, for the fabricated diversity under the guise of all conceivable factors; Income Inequality, Sexuality, Race and Appropriations.

Step-3: Raise the level of tension between these groups and mostly between them and the main-catalyst group (White Males). Continue until these groups frustrated, lost and demoralized into such a state of defeat, so as to create conflict. Fuel the conflict to create levels of over-flowing civil disobedience and violence.

Step-4: Present the desired solution to achieve the objective.

Barack Obama, a protégé of the Marxist Saul Alinsky, started teaching these principals at the University of Chicago Law School and eventually "ACORN" and his Deep State Power Politics Team. A Team that is still influencing its power throughout US and Global Politics today⁹².

There are some, who hereby identify Obama as the "Anti-Christ" or even as "Gog" of the "War of Gog and Magog a.k.a. Armageddon". It seems more likely however that his role was more-so as a false prophet to lead the weak astray⁴. Preeminent Rabbinic scholars, Rabbi's Mendel Kessin and Rabbi Glazerson, individually identified sections within chapters 30 and 31 of The Book of Numbers linking Obama and the United Nations²⁰⁹ as enemies of Israel. Obama's abstention from voting on the U'N's resolution 2334, assisted in solidifying the divisionary lines between the G-D and Anti-G-D factions. Though he was well learned by his mentor, in the Art of Radicalization; It was his relationship with George Soros, a member of The Club of Rome, that facilitated the ease to which divisions and tensions were allowed to spread on the global theater.

"The Club of Rome⁸⁴" is the parent organization of such entities as The Club of Madrid, the Club of Budapest, and the Bilderberg Group. Members of these groups are Political, Industrial and Philanthropic leaders, such as Bill Clinton, George W Bush, Al Gore and Mikhael Gorbachev; George Soros, Ted Turner, Bill Gates, Mark Zuckerberg and the leaders of Google, Twitter and other media giants. The common link between these member groups is that they believe in their superiority to others, and are vehemently against Religious Doctrine. In these ends, they exert means of divisionism to create escalating tensions so that the solutions to their defined problems become resolved through the systematic removal of the rights, liberties and freedoms so hard wrought by our forefathers, and now ourselves.

The Club of Rome, on their website states their own position in an introduction to one of the reports. Produced by their leadership in a report entitled "In the First Global Revolution, A Report by the Council of The Club of Rome, 1991"⁸⁵, they state the following:

"President Emeritus of the Club of Rome Alexander King and Secretary General Bertrand Schneider offer both a warning and an approach to a possible solution to world problems. Topics covered by this book include the need for the world to convert from a military to a civil economy, the recognition of the disastrous short-term effects of exploitation by First World countries of Third World poverty and need, and the containment of global warming: the need to reduce global emissions of carbon dioxide, to encourage reforestation, to conserve traditional forms of energy and develop alternatives."

"In searching for a new enemy to unite us, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like would fit the bill ... But in designating them as the enemy, we fall into the trap of mistaking symptoms for causes. All these dangers are caused by human intervention and it is only through changed attitudes and behavior that they can be overcome. The real enemy, then, is humanity itself"⁸⁶

"The Club of Rome⁸⁷ is an organization of individuals who share a common concern for the future of humanity and strive to make a difference. Our members are notable scientists, economists, businessmen and businesswomen, high level civil servants and former heads of state from around the world. Their efforts are supported by the Secretariat in Winterthur, Switzerland, the European Research Centre registered in Constance, Germany and National Associations in more than 30 countries."

“The Club of Rome conducts research and hosts debates, conferences, lectures, high-level meetings and events. The Club also publishes a limited number of peer-reviewed “Reports to the Club of Rome”, the most famous of which is “The Limits to Growth”.

The Club of Rome’s mission is to promote understanding of the global challenges facing humanity and to propose solutions through scientific analysis, communication and advocacy. Recognizing the interconnectedness of today’s global challenges, our distinct perspective is holistic, systemic and long-term.”

The Club of Rome adheres to a Malthusian⁸⁸ perspective to addressing these matters. Thomas Robert Malthus, a founding member of the “Political Economic Club” was an early influencer to the Club of Rome. In his “An Essay on the Principal of Population”, Malthus posited:

“that two types of checks hold population within resource limits: *positive* checks, which raise the death rate²⁸¹; and *preventive* ones, which lower the birth rate. The positive checks include hunger, disease and war²⁷¹; the preventive checks: birth control, postponement of marriage and celibacy”

These “Positive” and “Prevent” checks are cornerstones in the Club of Rome’s venues of influence, modernized for today’s societies.

Augmentations to the positive checks are the Death Panels and Socialization of Obamacare, the implosion of illegal immigration and their unfettered crime, and the genocide of African Christians by Islamic Jihadists groups¹⁴³.

Augmentations to the preventive checks are the activist supports and proliferation of Planned Parenthood’s Abortion^{117,273} program in Non-White neighborhoods; Feminists movements which concealed behind a veil of empowerment for women strives to keep women in the work-place and not raising families; The push by the LGBTQ¹⁴⁸ groups including Transvestite Library Readings to push celibacy and disease. Global Warming which has been debunked as fraudulent as been repackaged as “Climate Change”²⁷² and with their Agenda-21 programs seek to control populations based upon the regulation of environmental resources.

THE CHAINS OF INFLUENCE

The Club of Rome is a body of Influence centuries in the making. Their moral-compass is their own-for-their-own-sake, and they have grouped amongst themselves. Like minded individuals whose faith is of their own making to the extent that they no longer have room within themselves for anything else. There is no room for G-dliness to inhabit their vessel, as they are their own g-ds.

The Club of Rome is the apex of their society, and rules over the rest through a diversification of efforts by differentiation of skills that influence. The Club of Rome is the primary influencer to the United Nations. To assist the UN to achieve its objectives, it utilizes its daughter clubs, The Club of Madrid, The Club of Budapest and The Bilderberg Group. The latter may simply be a adjunct think tank, but the Clubs of Madrid and Budapest have specific roles, responsibilities and key players.

THE CLUB OF ROME

The Club of Rome develops scenarios to achieve its objectives. It has an End-Agenda. To achieve this objective, they create a solution to a problem which once fully implemented produces the stated end objective. In brief, the Club of Rome functions within the following parameters:

Mission Statement¹⁶¹

To Provide the United Nations with guidance based upon scientific analysis in the realms of:

Environment and Resources¹⁸⁷

Climate Change Environmentalism. Push New Green Deals^{130,131,132}.

Globalization^{136,185,216}

Stressing rising inequalities and imbalances stemming from current world economic and financial systems. Stress divisionism of minority groups from Feminist, Transgenders, Migrants and others.

World Development^{157,193}

Sustainable Development, Demographic growth, Poverty and associated stresses on the environment. Create divisionism through fabricated claims of White Privilege, White Nationalism and the White Male Syndrome. Solve the problem by empowering non-white groups through activism. Black Lives Matter, Antifa, Occupy Wall Street, Equal-Pay-for-equal-work, and demands for unsustainable minimum wage increases.

Social Transformation^{140,180,197}

Personal values and behavior modification to facilitate tightening human and environmental limits. Force the proliferation of diverse anti-Judeo-Christian sexual orientations and behavior's such as the LBGTQ, Pro-Choice, #MeToo and Abortion Movements to create divisionism within society. Solve the problem by removing public displays of Judeo-Christian principals and freedoms.

Peace and Security^{175,203}

Peace maintained by One Global and Unitary military presence. Force unvetted illegal immigration from third world countries into first world western nations to create stress and disruption. Solve the problem through population disarmament and new rules of conduct.

THE CLUB OF BUDAPEST

The Club of Budapest is the secondary force to achieving these objectives. They are the working arm of the Club of Rome.

New World Order through Social & Cultural Aspects^{119,134,214}

This group supports the Club of Rome missions by promoting Writers, Artists and Peoples of Transcendental Spiritual Qualifications to discuss global problems and offer solutions in alignment with Rome's agenda(s).

Governance of Nations^{170,195}

The United Nations and The European Commission. Current and prior members of these groups are members of the Club of Budapest, and present Reports and Formulae towards achieving Rome's objectives.

Education for Wisdom^{196,198}

New Age Spiritual Leaders of such forms as Eco-Spirituality, Global Consciousness and Global Ethics.

Reverence for Nature

Climate Change Environmentalism at its purest.

Public Health Policy^{202,204,208,212}

Modifications to Western Education in support of Islam, Homosexuality & Promiscuity and Abortion.

Approaching a Modern Subsistence Economy²⁰¹

Advocating and Educating on Regionalism, Globalism and the Global Marshall Plan

Ethics of Planetary Freedom²¹³

Global Ethics

THE CLUB OF MADRID

The activities of The Club of Budapest require validation from prior World Leaders, whom people can trust. These are the figure heads whom led credence to the proposed programs of governance.

Climate activism for instance has ex-Vice President Al Gore promoting Climate Change where he once promoted Global Warming. Both proven to be inaccurate and geared to imposing drastic new laws upon various populations. Greta Thornburg, the young voice of her activist Father is supported by the Club of Rome to emotionally influence their agenda.

Facebook removed a political advertisement of the GOP Party (Trump) for violating an ambiguous rule that without standing. The individual who developed this rule for Facebook is Vanita Gupta. An Obama appointee and member of George Soros' Open Society^{89,90,91}.

THE BILDERBERG GROUP

Every Socio-Political Group requires its feet-in-the-streets. A group that can facilitate the application of prescribed directives. In the words of CBS President Richard Salant (1961-64, 1966-1979) “Our job is to give people not what they want, but what we decide they ought to have”²⁶³.

Members of Bilderberg are the owners and operators of today's world-wide technological and media firms^{269,270}, Social and Cultural establishments such as Museums, and Non-Profit Foundations. From Google & Alphabet, to Apple, Microsoft, Facebook, Twitter, Snap, Netflix, Amazon, and The Ford Foundation. These firms regulate our speech, from that of free-will based upon our constitutional rights to those which fit within their accepted parameters of tolerance (read complacency), and their selected path of guidance.

Print Media is grossly comprised of nine-firms such as Berkshire Hathaway, Gannett, Advance Publishing and others. These print media firms have monthly (26 million) and daily (15 million) circulations.

Broadcast Radio is comprised of 20 conglomerates. Cox Enterprises, iHeartMedia, Univision amongst others having a reach through 2900 radio stations covering nearly 750 regional markets.

Pay Tv Networks are covered through 11 major players from Comcast, Disney and Time Warner with 184 sub-networks between 60% to 87% of all pay network households. This does not take into consideration CNN who pays world-wide airports to broadcast their programming.

Standard Broadcast Television, through 1059 stations in 640 different markets reach an average of 30% of the total US Market and International affiliates.

Given the extent of their reach over the Media, whether it be via Print, Radio, Television, Movie Production or Advertising; At what point does the content become questionable. At what point does the information become biased towards another's agenda rather than pure information?

“Of course the people don't want war. But after all, it's the leaders of the country who determine the policy, and it's always a simple matter to drag the people along whether it's a democracy, a fascist dictatorship, or a parliament, or a communist dictatorship. Voice or no voice, the people can always be brought to the bidding of the leaders. That is easy. All you have to do is tell them they are being attacked, and denounce the pacifists for lack of patriotism, and exposing the country to greater danger.”

— Herman Goering at the Nuremberg trials

The Tri-Lateral Commission, The Council on Foreign Relations, Museums, Conservation Groups, Non-Profit Foundations and major Corporations, are some of the other “Boots-on-the-Ground”²⁷⁵ apparatus to activate their group agenda. It's interesting that the Tri-Lateral Commission when headed by Zbigniew Brzezinski (the Father of Mika Brzezinski of MSNBC), took under his wing for mentorship Georgia Governor Jimmy Carter (in 1973). Upon his Presidency in 1977, Carter subsequently filled his cabinet with 284 members of Bilderberg and other Club of Rome members. A continuing practice up through the Obama Administration.

“The Trilateralist Commission is international...(and)...is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing control of the political government of the United States. The Trilateralist Commission represents a skillful, coordinated effort to seize control and consolidate the four centers of power - political, monetary, intellectual, and ecclesiastical.”^{267,268}

The Clubs of Rome, Budapest and Madrid, along with the Bilderberg Group are well-organized, Anti-Theocratical to organizations to Freedom and Liberty. Their reach is global and authoritarian¹²⁰. Though some Nations are returning to the protection of their citizenry, others are in the midst of battle. Understanding why the battles are being wrought is the first step in surviving. Yes, surviving because all of us are very far from vanquishing these forces that seek to remove our Freedom of Faith. Replacing it with their own vision may be their freedom to conduct their lives without moral repercussion²⁷⁶, but it will become our slavery and death²⁷⁷.

Turkey, who has blackmailed²⁸⁰ the Western Nations for additional funding to maintain the Islamic forces which he himself invited in, has, upon not receiving his demands; Commenced his claims to the Caliphate of the 12th Imam, and

unleashed over 23,000 Islamic Jihadists migrants and criminals to the Greek Border^{99,118,183}. Sweden^{129,141} has past the milestone of now having 20% of its population being Foreign Born and jeopardizing the safety of its young Women²⁷⁸. England, and predominately its capital London, has seen the implementation of a new “Thought Police”²⁷⁹ attempting to criminalize Islamophobia and comments which fall contrary to governmental policies^{100,101}.

Just recently, The Museum of The Bible in Washington DC, had its exhibit of Dead Sea Scrolls investigated as possibly fraudulent. The third-party investigation determined that they were not actual specimens. Contrary to past policy of making inquiries and silently removing the artifacts in question; “The museum is now reevaluating other artifacts in its collection and plans to reorganize its Dead Sea Scrolls exhibit to show how its scroll fragments were proven to be forgeries”²⁹⁴ and “has opted to be as transparent as possible with its collection of Dead Sea Scrolls – from the interim gallery labels, to the public announcement of the results of the research and the subsequent release of all of the associated research materials.” The Museum Directorship is comprised of members of the Bilderberg Group, who actualize the directives of the Club of Rome to create doubt and remove Judeo-Christianity from Society.

Times are moving quickly, as again, just recently, The EU, who is a proxy group for the Club of Rome, has called for the borders to remain open during the Coronavirus Pandemic²⁹⁸. This is in direct contradiction to all medical experts and the direction of most other countries. We can only assume the worse, that they are hoping to facilitate the spread and deadly outcome.

ISRAEL

In similar fashion to the United States⁹⁴ and other Western Nations, Israel is in the clutches of a left-wing deep state apparatus. Within some Nations, this influence may not seem overly perceptible, but within the United States and Israel, the threat is very real and very dangerous.

The recent clear win for Likud and Netanyahu by the voting populace of Israel should result in President Rivlin extending them the opportunity to form a majority coalition. But as in the United States, The Club of Rome and United Nations need both parties to fall in line with their European counterparts for proper implementation of their Agenda-21¹⁹⁴ and Agenda-2030 action items.

In the United States, the left-wing deep state is continuously taking measures to oust the duly elected representative of the people; And attempts to thwart every action taken by the GOP. So too in Israel. The Blue and White party²¹¹ of Benny Gantz has joined with Ehud Olmert, Attorney General Avichai Mendelbilt⁹⁷ and others to launch a two-pronged attack on the Israeli Populace.

Following measures utilized in the United States by the Democratic Party, Benny Gantz’ Team^{147,199} is trying to delegitimize Netanyahu’s position. AG Mendelbilt is trying to create a precedence in the removal of Netanyahu that could jeopardize the legal safety of all Israeli Citizens.

In concert, Gantz^{108,112} and Olmert are courting⁹⁶ the Arab Delegations^{93,95,270} to form a Left-Wing (Esau) – Islamic Jihadist coalition government²⁸³. It is of no surprise that the United Nations has been funding left-wing Israeli NGO’s for quite some time. Now at the crux of worldwide instability as created by The Club of Rome and The United Nations through Open-Borders and the influx of Islamic Jihadist, their efforts are being fully focused on ensuring that the Judeo-Christian Government’s in The United States and Israel, fall in line with their Agenda’s.

Israel, The United States, Hungary¹⁴⁵, Poland¹⁰⁷, India¹¹² and we can only hope England^{207,210}, Australia¹⁰⁶ and Brazil, are following the wills and directions of their populations, and defending the principals of Freedom and Liberty as only a Faith-Based-Moral-Compass can create. The Israeli People must stand together against these efforts to undermine their security and stability. Their many factions must stand as one coalition, before it becomes irreversible. Just recently, President Rivlin handed Benny Gantz the first opportunity to form a Unity Government²⁹⁵. The leftist and Social-Progressive factions funded by the UN may soon lead Israel to the warning of the Fourth Blood Moon. To Peril.

FRANCE

In contrast to the American Revolution culminating in “In G-D We Trust”, The French Revolution and the Enlightenment that paved the way for the modern world²⁶² established itself as the enlightenment of the self, through “Liberty, Equality and Fraternity”. A coronation of mankind and his intellect as the ruling power. An additional point of contrast, France, or “Tzarephath” in Hebrew, is noted in The Torah, and there, only once in Obadiah 1:20

20. And this exiled host of the children of Israel who are [with] the Canaanites as far as **Tzarephath** and the exile of Jerusalem which is in Sepharad shall inherit the cities of the southland.

בְּנֵי יִשְׂרָאֵל אֲשֶׁר־כָּנְעוּ
צָרְפַּת וְנָגֶלֶת יְרוּשָׁלַם אֲשֶׁר בְּסֶפְרָד יֵן
עָן:

21. And saviors shall ascend Mt. Zion to judge the mountain of Esau, and the Lord shall have the kingdom.

בְּאוֹנֵי מוֹשָׁעִים בָּהֶר צִיּוֹן לְשֹׁפֵט אֶת־הָר עֵשָׂו
יְהִי־לָהּ הַמְּלִיכָה:

The say that France is Dead. Per Obadiah, and per the testimonials of eye-witness accounts and very public events; France is most undoubtedly dying¹⁰⁵. Liberty, Equality and Fraternity have become veils on a once beautiful society and culture. A veil of secularism which has made it easy prey for the Ishmaelites to wage their war.

In recent years alone France has succumbed to 28 violent and deadly attacks, which, have been identified by GLOBSEC, as having been committed almost entirely by Islamic Jihadists.

The Charlie Hebdo and Bataclan Massacres, Bombings and Vehicle Ramming's, and numerous stabbings and other violent attacks. These figures do not take into consideration the desecration's and attacks on Christian sites throughout France. In 2018 there were reported 129 thefts and 877 acts of vandalism.

In the first 3-months of 2019 alone there were 228 violent acts against Christianity. Notre-Dame-de-Paris alone suffered multiple Islamic attacks which were thwarted, up until the recent destructive fire of April 2019. Though official sources are downplaying any Islamic intervention in this latest of incidence's, all prior thwarted attacks were undertaken by Islamist. Official sources do state however that they are concerned of the Political Usage of the term "Islamophobia, which they believe accounts for many crimes going unreported, accurately¹³⁵.

In greater decline than Sweden, French political scientist Jérôme Fourquet, has reported that the number of newborn males with Arabic or Muslim first names¹⁷⁶ has increased from just 1% in 1960, to greater than 19% today; And mostly attributable largely to the consistent flow of unvetted migrants. These migrants¹⁷⁸ are of a "assimilation-resistant-Muslim-population"¹⁸⁹, which has created nearly 178 No-Go-Zones throughout France¹⁷².

Islamic migrant crime, and the veil being imposed upon it by the French Judiciary may be taking its toll upon the non-Islamic French citizenry. Most notably, a 65-year-old Jewish Woman was tortured and thrown from her high-rise apartment. Her young Islamic neighbor who was caught on the scene of the crime, blood-soaked and spewing anti-Semitic profanities, was recently found not guilty of murder, and "not criminally responsible" for his actions. The legal outcome from the French Judiciary brought hundreds of French Jews and supports rallying in Paris.

The French Minister of Justice just recently accused a teen girl¹⁸⁴ of insulting Islam through a non-existent law entitled "Freedom of Conscious". She and her family were subsequently told by Police to change her name and move, as they would be unable to protect her and her family. French President Macron^{113,126}, in defense of this teenage girl, did stand up to the French Ministry, but he also was shut down. The Judiciary's response was that "Their verdict was standing, and that no-person, including the President of France, was above the Judiciary." To exacerbate matters, French Authorities have enacted similar laws as to London's "Thought Police" and have arrested notable scholars for freely expressing their concern about the detriments of mass migration¹⁵¹.

France is already in the grips of the Secular Judiciary. England, The United States, Israel and other nations¹⁷³ are beginning to wrestle with these dark angels; And yet, Obadiah brings comfort to us that France, Europe and the World of Esau will return to G-D, but at what price. Just recently, a number of French Jews²⁹⁵ in the 4th Arrondissement of Paris, received letters telling them to leave or be Killed.

In consideration of the price of innocents currently being paid by the French and others throughout Europe, we can only shutter at the thought of the final price to be exuded. I fear that France is nearly lost. That the "Yellow Jackets" will need to be mobilized, but only if they can oust the Islamic and Secularist factions within it. France is the crux of Europe. How France goes so may very well go Europe¹⁶⁵. Our Prayers go out to France. A Beautiful People, being pushed to a brink.

ONE WAR, THEN A SECOND AND NOW THE THIRD - THE WAR OF FAITH

As the Children of Israel departed out of Egypt, they were faced with two battles. The first was on the Sixth Day of their Exodus. With the Sea of Reeds before them and the Mountains of Pi-Hahiroth and Baal Zephon on either side of them, the Egyptian Army of Pharaoh came upon them. And the Children of Israel were commanded with "G-d will fight for you, and you shall hold your peace"⁸⁰. Pharaoh represented a physical threat, to which we were protected.

The second battle was with Amalek⁸¹. As they were encamped in “Rephidim”, a name which means “Challenge and Strife” for the Children strove with G-D and questioned if HE was with them or not. “Then came Amalek and attacked Israel in Rephidim ...”. With this second battle, we are told to wage war against Amalek whenever and wherever we meet him. That this battles, G-D would not wage for us because it was our own internal battle of Faith, the removal of challenges and strife to G-D that would provide us with the victory over Amalek. Amalek, with the same numeric/gematric valuation as the word “Doubt”, is that within our society that provides the impetus for us to doubt our Faith. Evolution or Creationism; Choice or Life; Feelings or Facts; For Myself or ... Love, Faith, and G-D.

A Century ago, Polish Rabbi Israel Meir Kagan¹⁴⁶ (Chafetz Chaim, January 26, 1838 – September 15, 1933) stated that the Messianic Era would be revealed in the Hebrew Year of 5778 (2017/2018 of the Common Era).

That the War of Gog and Magog would be fought in three (3) stages; WWI, WWII, and World War III. His statement was that the Second World War would start twenty-five years (25 years) after the commencement of the First World War; And that the Third World War would commence seventy-two years (7 Sabbatical years plus 2 years) from the conclusion of the Second. 1914 plus 25 years brings us to 1945, which is 72 years prior to 2017⁸³.

The First Two World Wars were both Physical War’s, and a loss of millions of lives to protect the physical Freedoms and Liberties of each person.

The Third World War, is the War Against Amalek, those who negate G-D and strive to remove His presence from society and our lives. This Last War will have its physical skirmishes, but as stated by Israeli, Rabbi Ben Artzi⁸⁴ “the current situation is unformed and wrought with confusion”. A lack of Knowledge abounds to which a War between Cultures has been formed.

During this period, it is stated that:

- (a) A US President will be chosen¹⁶². One who supports and is admired by the Jewish people of Israel for their fortitude and convictions to G-D; and who is disliked by the Jews of America¹¹⁶ due to their having distanced themselves from their teachings of G-D, and their lack of moral strength. This, in clear alignment with the warning of the Fourth Blood Moon.
- (b) Europe will become a Muslim Continent accelerated after the Turkish Revolution solidifying Erdogan as its President and self-declared 12th Imam. Just recently.

This Third Worldwide War, the War on Culture began in earnest in the year 5778. 2017-2018 was a period when the secularist and anti-G-dliness groups began to worry. The continuation of the Obama legacy^{174,200}, through Hilary Clinton was defeated. The eight-years of social and moral degradation that they “progressed” through, were now at a standstill. Freedom and Liberty, through Faith in G-d is strengthening through Nations. All Peoples, in particular those whom were emotionally and intellectual enslaved by progressive doctrines¹³⁸, are seeing through the injustice¹²⁷.

One reason as to why the battle has intensified is that they whom oppose G-D are losing^{158,181,182}. They are losing^{122,168} their prior identities^{133,186} and are simply afraid of being alone¹⁶⁶. A secondary reason is that we are approaching the initial milestone of Agenda-21, for the year 2021, and these forces need to accelerate their actions so as to remain on schedule. The European Union and single monetary currency were the Brain-child of The Club of Rome, over 50 years ago. Slow and steady they may achieve their openly stated goals.

For We of Faith¹⁸⁸, these are but Challenges that we can overcome, and when so doing, strengthen our foundation, and bring on Earth as in Heaven. These opposing forces whom are against G-D, are simple individuals with a choice, and whom have selected poorly. There is nothing frightful about them other that they exist, and have made a poor selection. These can always be reversed; in particular when confronted by Peoples of Faith, Living their Faith.

CORONAVIRUS – COVId-19

Covid-19²⁸⁴, as named by the World Health Organization after many weeks of deliberation, is not happenstance. Covid, when translated in to Hebrew Gematria Numeric Valuation equates to “42”, which is representative of the 42-Letter Name of G-D, during Acts of Great Power²⁸⁵.

Covid-19 (19 – כוביד) was named by the WHO in a form that begins with a Name of G-d. It begins with (כ) or 26, as in the Tetragrammation (יהוה), and it ends in *Yad* (יד), Hand, as in the Hand of G-d. In fact, being split into 28 and 14, Covid reflects the 3 Hands of G-d we just saw in the final word of

“the writing on the wall” in Daniel 5:25: “וְדָנָה כְּתֹבָה, דִּי רָשִׁים: מְנָה מְנָה, תִּקֵּל וּפְרָסִין.” And this is the writing that was inscribed: MENE MENE, TEKEL UPHARSIN.” While in Daniel’s time the last word referred to Persia (Iran), today it also ties Iran to China (סין), *Sin*, the final 3 letters in the word and verse^{286,287}.

November 9, 2015 an article was published from researchers at the Wuhan Level-4 Biohazard Laboratory entitled “A SARS-like cluster of circulating bat coronaviruses shows potential for human emergence”²⁹², this itself which had followed a similar report dated in 2013. They had acquired the initial samples²⁹¹ from Winnipeg, Canada. The purpose of this experiment was to identify how Bats carry viruses without themselves becoming infected. The information being put out today is identifying the “Bat” component of this formula and concealing it with an outdoor market having become overly-unsanitary. Which can not explain the veracity of the spread of this virus.

Though the particulars of how this virus was released into the general population is still, as of yet unknown; We can posit with a fair amount of certainty that a group wanting population control via positive and preventive measures may have had some input into rapidly decreasing the World’s largest population. The origins and release of Covid-19, SARS, The AIDS Virus and others, are open questions. To those of Faith, these are but Challenges, Trials and Tribulations that we can overcome.

Some Indices are positive, and some seem to be negative but are simply awaiting our input to become positive. Here we see indices that can guide us to removing the negativity of this coronavirus, and exchange it for positive benefit. As each human individual is comprised of Ten Attributes as “Created in His Image”, we can see the positive outcomes of emulating these attributes, so as to remove the negative²⁸⁸.

Crown - Nobility

Corona in Latin means “crown”. A person’s crown (Keter in Hebrew) is comprised of three superconscious powers of the psyche: Faith, Pleasure and Will. Keep our Faith in G-D strong. Focus and take pleasures in His ways over those of society, and make His Will our own – on earth as it I sin Heaven.

Wisdom – Sound Mind

On earth as in Heaven, requires a sound mind, focused and occupied with bring goodness into this world. Do Unto Others as You Would Have Others Do Unto Ourselves.

Understanding – Serenity in Purpose

Connecting the Intellectual with the Emotional requires serenity towards one’s purpose. Perceiving the value of one’s Faith and Direction and of being able to channel that through Emotional Energy.

Knowledge – To Remember and Safeguard

Remember the purpose of our given Day of Rest, and safeguard it in all of these days.

Loving-kindness – The Merit of our Redemption

Showing Loving-kindness to those around us and to those afflicted. G-D is Love and our purpose and value to society resides in our ability to bring Loving-kindness to others.

Might – Strength

Our Might is our Faith. Bring strength to every moment, and to our every interaction with those outside of us, so that they may be comforted; And in turn be strengthened. We can be The Light upon Nations.

Beauty – Compassion

Compassion is a beauty which transcends the ordinary. It radiates to not just the recipient and deliverer, but to all those cognoscente of the act.

Victory – Confidence

That our actions are in the path of Faith. It is said that a Righteous Person will get up (from their fall) seven-times. So yes, we may fall and take a step (or a few back) but we are on the correct path and we will overcome the trials and tribulations before us.

Acknowledgement – Of Truth

Simplicity in knowing that our belief and actions are in the right direction. Peace of mind.

Foundation – Our Forebearers

We are products of those before us, and within each of us is an encapsulation of trials and tribulations which they themselves had to overcome. The growths within them provides the opportunities for us today.

Kingdom – Our beings and Our Homes are Our Temples

In these days, we must safeguard our persons and the persons of our loved ones, ad those around us. We extend this safeguarding to our homes to ensure that they are properly provisioned with physical sustenance of nourishment and spiritual sustenance of Faith. That our schools and social activities conduce the Faith in our lives and repel advancements of degeneration.

Amen (it is true)

CONCLUSION

WE MUST FIND OUR OWN KNOWLEDGE

Genesis 2.1-3

- | | |
|--|--|
| 1. Now the heavens and the earth were completed and all their host. | <u>אֵלֹהִים הַשָּׁמַיִם וְהָאָרֶץ וְכָל־צְבָאָם:</u> |
| 2. And God completed on the seventh day His work that He did, and He abstained on the seventh day from all His work that He did. | <u>בַּיּוֹם הַשְּׁבִיעִי מָלְאֲתּוֹ אֱשֶׁר עָשָׂה וַיִּשְׁבֹּת בַּיּוֹם הַשְּׁבִיעִי מִכָּל־מְלַאֲכָתּוֹ אֲשֶׁר עָשָׂה</u> |
| 3. And God blessed the seventh day and He hallowed it, for thereon He abstained from all His work that God created to do. | <u>וַיְבָרֶךְ אֱלֹהִים אֶת־יוֹם הַשְּׁבִיעִי וַיְקַדֵּשׁ אֹתוֹ כִּי בּוֹ שָׁבַת מִכָּל־מְלַאֲכָתּוֹ אֲשֶׁר־בָּרָא אֱלֹהִים לַעֲשׂוֹת</u> |

In Seven Days, G-D created the Heavens and the Earth. Seven Continents with Seven Seas and Seven Colors of the Rainbow, His Eternal Sign of Love to Us. Our Seven Emotional Attributes⁷⁰, governed by our three Intellectual Attributes, Ten in Totality “And God created man in His image; in the image of God He created him; male and female He created them”⁷¹. The Tree of Life.

Knowledge is simply, Truth Recognized. Adhering and Actualizing the Truth of this Knowledge, is what makes Our Days the interesting journeys that they are. It was once stated to me “You think you’re so great because you call yourself religious and follow your religion”. Truth is, I am not great. But having Faith in G-D and trying to adhere to my religion, well Helps me be a better person to those around me, and as time goes by, hopefully, a little will rub off on me.

I can only be, that who I am. I have Faith. I know Faith. That all will be well. Because G-D is Love, and respects us sufficiently that He wants us to Redeem the Merits which are our own. The Trials and Tribulations of my life have shown me the Path outlined herein. And though I have walked in the valley of the Shadow of Death, I fear no evil. I have tasted of the Shadow and it has left its mark. But I do have fears. I have fears for the pains of those whose Faith is Doubtful. For those beguiled by the twisted tongues of those whom are only for themselves, and it is for these reasons that I have put together this compilation.

This compilation is not complete, and purposefully so. For, if it were complete, we would think, understand and respond in similar fashion. And, where then would be our individuality? Our personal contributions towards the betterment of our society? Our strength is in our diversity and differing contributions.

This compilation is not complete, because it awaits your input. Your research into what has been herein stated. Your reductions and your additions, until we all understand our Faith to such an extent that the negations in our lives, society and political arena and have been replaced with our Strengths, here on Earth as it is in Heaven.

FREEDOM - IN DEFENSE OF OUR WOMEN AND CHILDREN

“I think women are foolish to pretend they are equal to men. They are far superior and always have been. Whatever you give a woman, she will make greater. If you give her sperm, she will give you a baby. If you give her a house, she will give you a home. If you give her groceries, she will give you a meal. If you give her a smile, she will give you her heart. She multiplies and enlarges that which is given to her...”⁷⁵

A statement truer, I’d be hard-pressed to find; Yet, Each Day of Creation was a continuation of the preceding day, ever-evolving to greater complexity. From the Inanimate, to the Vegetative, to the Aquatic, Avian and Mammalian and finally to the Homo Sapien, both Male and Female did He Create them with ever-increasing complexity. It is no

wonder that in the Biblical Hebrew Language, the Days of the Week are all in the masculine, but the Sabbath Day is in the Feminine. That which we strive for, and that which defines the greatness of a Society. It is said that the Third Temple in Jerusalem will be built out of Steel. For steel in Hebrew is **BaRZeL**, an acronym for **Bilah, Rachel, Zipah and Leah**, the Four Matriarch's. Barzel, or steel also has the numeric/gematric value of **26**, the equivalence of the G-D's four-letter name of the Tetragrammaton.

Picture, if you will, a perfect person, and Angel brought from Heaven to a wondrous Garden. Clothed in a human body, both male and female, they are told that everything here is for their enjoyment, sustenance and upkeep; Everything that is except for the one tree in the direct middle of the garden. Partaking of this Tree of Knowledge of Good and Bad will assuredly bring death. A question becomes; Why create perfection, and intentionally mar it with something seemingly so antithetical. Unless it itself was an integral component of creation. Such as Free Will⁸⁶.

Perhaps, enjoying the Garden of Eden as directed by the Creator, was but an enticement. That the true joy of the Garden could only come from partaking of the Tree and understanding the Good and the Bad. Learning how to differentiate one from the other, and creating through their own accord and Free Will their manifestation of the Garden.

Eve, the Female Component of Man (male and female), was able to interpret the meaning behind the words. Adam and Eve were in the Garden of Eden for only thirty-six hours before they partook of the Fruit of the Tree. Once bitten into, G-D asks them what they have done; It is not the act of eating of the fruit to which they are questioned, but why. When we take an action, we are responsible for that action and must take ownership of it and its outcome. Therein lies growth and development and Understanding of Knowledge between Good and Bad. Being young, we did not understand this parameter, and thereby committed our first sin of not accepting responsibility for our actions.

We learn this trait from our Women. Take ownership of our actions. I believe that a true test of our success in understanding our Faith, and of fighting the doubts that secularist society places upon us; Is how well we protect our Women, Young Girls, and Children.

ENTERING INTO THE ARK OF FAITH - A CURE FOR TODAY

We are not all Warriors. I myself, am a far cry from being a Warrior, and I am thankful for those whose fortitude propels them to secure the safety of others before their own. Whether they be Military, Police, Clergy and other First Responders, I am thankful to them. I am also thankful for those Secondary Responders whom may not be placing themselves in harm's way to safeguard our physical safety; But who place themselves at the avant-garde of our Intellectual and Emotional Freedom. Those who bring us awareness to the infringements being wrought upon our Free Life of Liberty, Person and Education. The Journalist and Bloggers who help us understand that which is happening to our Free Society.

I am nothing like them. I am just a person like any other one of us. Just trying to stay afloat in a Sea of Confusion. And here again, I find solace in my Faith, in our Communal Faith. Here the lesson of Noah's ARK, surmounting the turbulence of the Seas comes to mind. When all around Noah and his loved ones was chaos from Above and from Below, and All Around there was not a place to rest. The ARK provided for his rest, fully enclosed naught for a small window high-above for the entrance of Light.

ARK, "Tevah" in Biblical Hebrew has the meaning of "WORD". Noah was asked, actually, Noah was told to Enter into the ARK, into The WORD of G-D, and there he would find the solace requisite to ride out the Seas of Confusion.

In Today's World, the Words of Our Faith are Strong. Gog and Magog are not evil incantations but people who have misguided faith in their own greatness; Instead of in the Power of Our Creator G-D, who has given us the opportunity to create greatness.

I take solace in the strength of our Women. That through their social network, geared around the safety and well-being of their children; That they will create the enclaves for Our Faith to Flourish.

Blessings of Strength and Love,
Joseph William
